## INTRODUCTION

The Directorate of Planning, Statistics & Evaluation has been conducting the Census of Employees working in Government Departments, Grants-in-aid Institutions and State Public Sector Undertakings and by bringing out the report at regular intervals. The last report brought out contained data as on 31<sup>st</sup> March, 2013. The present report, twenty-seventh in the series, presents data as on 1<sup>st</sup> January, 2015.

The information from 76 Government Departments, 18 Public Sector undertakings and 20 Grants-in aid Institutions has been collected for the purpose of this report. The employees are classified as Regular, Ad-hoc, Work-Charge and Others. In case of Government Departments, while the regular and ad-hoc employees are paid salaries under the budget head '01 Salaries," the work charge employees get salaries either under the budget, "61-Major Works", or "60-Minor Works" or 23-Maintainance Works". In case of Grants-in-aid Institutions, generally the Government releases salary grants to such institutions under the budget head: "74-Grants-in-aid". However, there are few Grants-in-aid Institutions like Planning and Development Authorities which pay salaries to their employees from their own funds. The State Public Sector Undertakings normally do not receive grant from the Government. The data presented is as per the information submitted by the respective Departments.

The number of employees in different Government Departments, Grant-in-Aid Institutions and State Public Sector Undertakings as also their distribution by different pay scales, social groups etc. are given in different tables in this report.
