I. Introduction

The Unique Identification Authority of India (UIDAI) has been notified by the Government of India as an Attached Office under the aegis of the Planning Commission. With the following objective: of “Assigning Unique Identification Numbers / Aadhaar Numbers to the entire resident population of the country”.

In the process of implementation of the said Project in the State of Goa, the participation of the public at large is a serious concern. It has been observed in other States that the public participation to the fullest extent has been possible only after putting in the best possible efforts through media/awareness campaign using all possible ways and means.

The Scope of work includes:

1. Production of 2-3 minutes documentary to be shown in cinema halls.
2. Production of 2-3 minutes slide/display to be shown in cinema halls.
3. Audio messages through Government / Private Radio Channels.
4. Video clips through Doordarshan / Private Channels.
5. To conduct interactive programmes such as street dramas, etc.
6. Display on hoardings at selected places.
7. Preparation and display of banners and posters at various locations including Public transport carriers.

Besides the above tasks, the Advertisement Consulting Agency (ACA), needs to liaison with various authorities in State Central Agencies such as Doordarshan /Radio Station / CEO of Corporations / Cinema Hall Associations and others, in order to carry out such a huge task of highly specialized nature successfully in a short time.

The ACA would be wholly responsible for production / execution of above works and no administrative assistance / help will be provided by the Department. However, all materials / audio / video / print / picture / images, etc. shall be approved by the Department.
